

PhD Programme in Applied Linguistics

School of Liberal Arts KMUTT (SoLA) invites prospective students to study for PhD Programme in Applied Linguistics. Candidates need to have either a regular master's or a research master's degree in Applied Linguistics, Linguistics, English Language Teaching or related fields, with a GPA of at least 3.25. They should also have an outstanding academic record. Teaching experience or work in the educational field or English language teaching is an advantage. The doctoral candidate should also be able to devote at least three years to perform research for their doctorate thesis, including time for coursework and meetings with academic supervisors.

Also required for admission are:

1. A Score of at least 230 on the computer-based TOEFL or 6.5 on the IELTS (within the past 2 years), or pass the written examination of the Department of Language Studies of the School of Liberal Arts, KMUTT.
2. Passing an interview examination conducted by the Postgraduate Committee of the School of Liberal Arts.
3. Having good command of English. The candidates should have at least 230 for TOEFL or 6.5 for IELTS

OR

Passing an English interview examination conducted by the Post graduate Committee of the Department of Language Studies.

OR

Passing the written examination (in case they do not have the TOEFL or IELTS scores as required) and an English interview examination.

4. Having teaching experience or work in educational field or English language teaching.
5. Research proposal accepted by the Postgraduate Committee.
6. Having experience in doing research when they studied in the MA programme or have conducted some research, for the candidates who choose to study Plan A, which is research-oriented.

DEADLINE FOR APPLICATION

31 August 2010 to start in November 2010
